LIFE SHOULD BE  
MEASURED IN MOMENTS,

# OUR COMMITMENT TO EVERYONE'S FUTURE

MSC Cruises is proud to protect the environment and support disadvantaged communities around the world.

When you've been touched by the beauty of the Earth and the warmth of its people, you feel a responsibility. An unbending commitment to safeguard the planet, to support local communities and to ensure the well-being of our staff – this is the pledge that we, in our position as industry leaders, have made. Driven by our enduring love of the sea, we use pioneering green technology to reduce our ecological footprint wherever possible, from eco-friendly hull coatings to advanced waste management systems and energy-saving devices.

## CARING FOR THE WORLD

CHOOSE YOUR IDEAL CRUISE

## EARLY BOOKING

### YOUR BEST DEAL ON EACH CRUISE, GUARANTEED!

Book early and take advantage of MSC Cruises' Early Booking fares. The Early Booking guarantees great value in return and is subject to limited availability. Early Booking fares are also available on MSC Yacht Club bookings. Please check with your travel agent or MSC Cruises Reservation team for the current price of any cruise that you are interested in sailing on. Actual cruise pricing is only confirmed at the time of booking.

## BROCHURE FARE

This is the full applicable for each guest. It's the fare you are most likely to pay if you want to keep all your options open or if you leave it to the last minute to book your cruise. But there are plenty of other more convenient options...

## BEST PRICE TODAY

### CALL YOUR TRAVEL AGENT FOR THE BEST FARE OF THE DAY, EVERY DAY

If you're not quick enough to catch the Early Booking fare, you can still get a great deal, thanks to this brand new dynamic fare, "Best Price Today". This fare guarantees you the best available price at the moment you book your cruise. It's not published in the brochure and it may change over time, so you'll need to speak to your travel agent to find out what the current fare is. But don't leave it too late - the closer you get to the departure date, the greater the chance of the "Best Price Today" reaching the full Brochure Fare. Best Price Today fares are also available on MSC Yacht Club bookings.

## SPECIAL

During the year, special rates may be available, subject to specific and restricted conditions. For the availability of these special rates and their terms and conditions, always ask your travel agent or visit our website [www.msckrstarenja.com](http://www.msckrstarenja.com).

## EXTEND YOUR CRUISE

Book two consecutive cruises and get a 10% discount on the applicable price of the second cruise. The discount is combinable with any catalogue promotion and Loyalty Program discounts and is valid for cruise itineraries between 7 and 11 nights. In case of multiple consecutive cruises, the above mentioned discount applies only to the price of the very last cruise.

Please note that MSC Cruises operates a flexible pricing system. Prices are finalized at time of booking and may be subject to change according to the applicable booking terms and conditions. This offer cannot be combined with other operations. The price categories described above are collectively referred to as Regular Quoted Fares. In addition to the Regular Quote Fares, MSC Cruises offers a variety of promotions throughout the year, so always remember to check with your travel agent to find out which great deals are available at the time you want to book your cruise.
